

Are You Interested in a Career in the Highway Construction Trade?

The Construct PA Program is a joint initiative between the Commonwealth of Pennsylvania and ProRank Business Solution, LLC to provide career preparation, technical training, and certifications that can lead to career opportunities in heavy highway construction.

Eligibility Requirements:

- You must be justice impacted (18 years of age and older) OR inner city youth (18 - 24 years of age)
- No pending criminal charges
- Have a high school diploma or GED
- Posses a valid state issued driver's license*
- Pass pre-enrollment drug screening

Upcoming Training Schedule:

January 2027 - Harrisburg, PA
February 2027 - Philadelphia, PA
March 2027 - Pittsburgh, PA (2)

Trainee Enrolled in the Construct PA Program will Receive the Following:

- Soft Skills and Technical Training
- Industry Certifications
- Mentoring
- Employment Assistance Services
- Stipend
- Supportive Services Funding
- A support network committed to your success
